The
CURRENT
Est. 1916 **SHED**

The Currant Shed has a long and proud history, standing tall whilst weathering over a century of different guises.

The structure was originally built for exactly what its name suggests - an undercover shed in which to prepare and dry currants before export back to the UK. Dried fruit was big business back in the day before refrigeration, and there are still several old sheds standing in the McLaren Flat / Blewitt Springs area today. The one now housing the restaurant was reputedly the largest in the district, and served its purpose well for the families that called this part of the world home.

We source the freshest local ingredients and, where possible, utilise what we grow in our garden for both our menu, and our cocktail list.

Not only do we eat local, but we drink local. You'll find an extensive selection of everything McLaren Vale has to offer, and further afield too.

Our selection within is an exciting one, that changes from time to time with vintages and limited production, but that's what keeps it fresh. It evolves with the regions and the winemakers, and we're proud to support them.

Beers

The Currant Shed Lager, by Shifty Lizard	5.0%	12
